1. In accordance with Reference A, the purpose of this Amendment 3 to RFQ-CO-15559-AMDC2 is to answer the Clarification Request received from Prospective Bidders on "Answers to Clarification Requests" published by reference G.
2. Clarification requested on:

TECHNICAL					
Serial Nr	RFQ Book	RFQ Section Ref.	QUESTION	ANSWER	Status
T.21	Part 4, Chapter 1, Section 1, SoW	3.2.3 EMSEC	"Containers must conform to TEMPEST level Class B". Please confirm that this requirement implies that the fully equipped shelter with PFE shall not leak to the outside compromising emanations exceeding those stated in SDIP 27 for Level B equipment. If the latter is not the case, please provide the applicable standard.	The container itself needs to be qualified as Class B in accordance to SDIP 27/2 not the equipment inside the shelter by applying technical means to the shelters. The CIS equipment inside the shelter do not provide any emission security measures and will be UNTESTED with the exception of certain security devices (e.g. Cryptos)	

QUESTION:

Do we need to show references on having certified TEMPEST Shelters, or we just need to show our capacity to be described in our technical proposal?

ANSWER:

The Bidders must show references on having certified TEMPEST Shelters.

3. This answer does not result in revision of any RFQ document.
4. All terms and conditions of the RFQ remain unchanged.
5. The Bid Closing Date for RFQ-CO-15559-AMDC2, as stated in reference E, remains unchanged as reflected hereafter.

Bid Closing Time for RFQ-CO-15559-AMDC2 is 14:00 (Brussels time) on 30 April 2020.
