Subject : Invitation to NATO EDGE, 3-5 December 2024

Dear colleagues,

I wish to invite you to the second edition of the Agency's flagship business and technology event, NATO EDGE, which will take place in Tampa, Florida, United States, on 3-5 December 2024, in partnership with US Special Operations Command. It is NATO's biggest industry conference bringing together more than 3,000 business leaders, experts and officials from across the Alliance.

As we did during the first edition of NATO EDGE in 2022 in Mons, Belgium, attendees can expect an interactive event comprised of distinguished keynotes and panels, breakout sessions, networking opportunities and company exhibitions.

NATO EDGE aims to enhance technology collaboration and partnerships needed to future-proof the Alliance, and strengthen our collective resilience. It will feature keynotes and interactive discussions pertaining to the Agency's support to NATO's ambitious agenda, including AI, Cyber, Space, Cloud, Outsourcing and Partnerships.

I would be grateful if you could bring this event to the attention of the members of the community you chair and represent, to encourage participation of governmental representatives and the private sector.

More details for NATO EDGE can be found at: <https://natoedge24.nato.int/> including registration details.

My point of contact for this event is Mr Arsen Fazlovic, Head of Industry Relations Team (+32 2 360 42 86, industryrelations@ncia.nato.int).

Yours Sincerely

A handwritten signature in blue ink, appearing to read 'Ludwig Decamps', is positioned above the printed name.
