To : Distribution List (Annex A)

Subject : **Amendment 2 to NCI Agency Request for Information GSM**
Relay Replacement

1. NCI Agency requests the assistance of the Nations and their Industry to identify a commercially available solution that can meet or exceed NATO requirements for ensuring enhanced GSM Relay capabilities at NATO HQ in Brussels. This Market Survey is being issued to identify potential solutions and possible suppliers. The broadest possible dissemination by Nations of this RFI to their qualified and interested industrial base is requested.

2. A summary of the requirements is set forth in the Annex B attached hereto. Additional technical details (Annex C) and Questionnaire (Annex D) will be distributed by email, upon request to qualified suppliers and subject to receiving a signed Non-Disclosure Undertaking (Annex F). Companies with intention to submit a response to this RFI are invited to request the additional technical details and the questionnaire as soon as possible and return the NDU signed accordingly. Respondents are requested to reply to the required information at Annex D Other supporting information and documentation (technical data sheets, descriptions of existing installations, etc.) are also desired.
3. The NCI Agency reference for this Request for Information is **RFI-424236-ANWI** and all correspondence and submissions concerning this matter should reference this number.
4. Respondents are invited to carefully review the requirements in Annex B and C.
5. Responses shall in all cases include the name of the firm, telephone number, e-mail address, designated Point of Contact, and a NATO UNCLASSIFIED description of the capability available and its functionalities. This shall include any restrictions (e.g. export controls) for direct procurement of the various capabilities by NCI Agency. Non-binding pricing information is also requested as called out in Annex D.
6. Responses are due back to NCI Agency no later than **12:00 Brussels time on 21-March-2025**.
7. Please send all responses via email to the following NCI Agency Point of Contact:
8. For the attention of: Mihaela Zoicas at CO-424236-ANWI@ncia.nato.int
9. The Agency may request a demonstration of the described solution. Respondents will be contacted if such a demonstration is desirable to make further arrangements. Respondents are requested to await further instructions after their submissions and are requested not to contact directly any NCI Agency staff other than the POC identified above in Paragraph 8.
10. Respondents are requested to await further instructions after their submissions and are requested **not to contact directly any NCI Agency staff other than the POC identified above in Paragraph 8**.
11. Any response to this request shall be provided on a voluntary basis. Not responding will not prejudice or cause the exclusion of companies from any future procurement that may arise from this Request for Information.
12. Responses to this Request for Information, and any information provided within the context of this survey, including but not limited to pricing, quantities, capabilities, functionalities and requirements will be considered as information only and will not be construed as binding on NATO for any future acquisition.
