Evaluation Criteria and Contract Award

12. Bidders will be evaluated on the documentation submitted and other information and documentation available to the Organization (e.g. verification of past performance references). Considerations include: understanding of requirements and proposed approach, proposed resources and capabilities, past performance; legal risks; and the proposed price.

13. The contract will be awarded to the responsible Bidder whose conforming proposal represents the lowest technically compliant bid after evaluation in accordance with the factors and sub-factors specified in the solicitation. The detailed bid evaluation factors and the phases of the source selection process are described in Part I, Section 8, of the IFB.
