Introduction

Joint Force Training Centre (JFTC) intends to award **IDIQ contract** for the **Computer Assisted Exercise (CAX) Technical Force - Integrated JTLS/JCATS Simulation and Exercise Control Support**. The JFTC hereby notifies the following Procurement Opportunity in accordance with the Procedure for NATO Competitive Procurement. This notification is issued to foster open and fair competition among eligible vendors from participating nations. This notification does not constitute a commitment to award a contract.

Partial bidding is not permitted.

Bidders are invited to review the requirements described herein and to register for participation through the appropriate national authority of the prime bidders's nation of origin. Bidders may form partnerships or sub-contractor relationships, however all vendors, whether prime, partner or sub-contractor shall meet all identified eligibility requirements for participation.

This opportunity reflects NATO's commitment to transparency, equal treatment of suppliers, and the efficient delivery of goods, works, and services in support of NATO missions and participating nations.

All eligible and responsible sources may submit a proposal, which shall be considered by the JFTC.

1. Title of Procurement Opportunity

Computer Assisted Exercise (CAX) Technical Force - Integrated JTLS/JCATS Simulation and Exercise Control Support (IDIQ).

2. Description of Requirement

The Joint Force Training Centre (JFTC), located in Bydgoszcz, Poland, conducts training and exercises for the NATO Command Structure (NCS) and NATO Force Structure (NFS) to ensure operational ability and interoperability in a variety of environments.

The Training and Exercise Division (TED) delivers combined and joint training and exercises. Mainly static and distributed, as well as single and multi-echelon, for tactical and operational level headquarters, staff and forces in the full spectrum of NATO operations. JFTC may assume the responsibility of the Officer Directing Exercise (ODE) for various exercises, i.e. NOBLE JOLT (NOJO), LOYAL LEDA (LOLE), LOYAL DOLOS (LODO). NOJO is a logistics and sustainment centric Computer Assisted Exercise/Command Post Exercise (CAX/CPX) that will train JLSGNP. LOLE and LODO are land domain tactical level Computer Assisted Exercises/Command Post Exercises (CAX/CPX) that will train relevant headquarters from the NFS in the Warfighting Corps role. Additionally, JFTC may support the NATO GEORGIA (NAGE) exercise(s).

The JFTC is seeking to fulfill its requirements for Joint Tactical Level Simulation (JTLS) system and Joint Conflict and Tactical Simulation (JCATS) system operation by experienced Computer Assisted Exercise (CAX) Operators and CAX Game Controller. One of these systems will be used during the exercises depending on the exercises requirements. The number of contractors may vary depending on the exercise needs with a maximum of 50 CAX operators and The JFTC requires the provision of up to 50 CAX Operators and one Game Controller per exercise (50 (the requirement for 2025-2026 exercises was between 27 and 43 CAX Operators and one CAX Game Controller). The period of performance per exercise will include:

- EXCON Training – 5 days
- Exercise E-block (EMPLOYEX) – 10 days.

The resulting contract will be an Indefinite Delivery, Indefinite Quantity (IDIQ) contract.

Contract period of performance: The period of performance consists of a base period (2027) and four annual option periods.

3. Vendor Eligibility

3.1. Participation in this Procurement Opportunity is restricted to bidders from participating nations. Bidders from other than participating nations shall be excluded from serving as prime contractor or subcontractor.

3.2. Bidders (partners and subcontractors) must hold a NATO Facility Security Clearance (FSC). The Proposed team must hold NATO SECRET clearance.

4. Access to Solicitation Documentation

Interested bidders, officially registered by national authorities with Declaration of Eligibility may participate to and receive the solicitation documentation for this Procurement Opportunity by email when the solicitation is released.

5. Language of Solicitation and Bid Submission

Solicitation Documentation and Proposal Submission Language(s): English

6. Additional Engagement Opportunities
