---

The NCI Agency hereby notifies the NATO Nations of its intent to request quotations for the procurement of Tier 2 and Tier 3 Uplift of the SIEM.

***\*\*Neo eProcurement Registration\*\*****Attention Suppliers,*

*The NCI Agency is stepping into a new era of procurement. We have launched an eProcurement tool, Neo, to make our collaborations smoother, faster, and more transparent. If you are keen to do business with us, you will need to register in [Neo](#). This tool will offer suppliers visibility into past, current and upcoming business opportunities, and streamlines the competition cycles, contract awards, and account management.*

- 
1. NCIA has given notice through Reference E of the intent to request quotations for the subject Project.
  2. Through the present Amendment 1 to the Notification of Intent under Reference E, the following changes are presented:
    - 2.1. The NOI closing date, i.e, the required date for the national authorities to forward a list of their nominated firms has been extended to June 31<sup>st</sup>, 2026.
    - 2.2. The anticipated solicitation release date has been extended to September 1<sup>st</sup>, 2026.
    - 2.3. The anticipated solicitation closing date has been extended to October 5<sup>th</sup> 2026.
    - 2.4. The anticipated contract award date has been extended to December 20<sup>th</sup> 2026.
  3. Attached herewith please find the Prospective Bidders list for the subject project which includes firms nominated by their Embassies/Delegations of origin, received as of the date of this letter. NATO Delegations are encouraged to review the list for accuracy and to ensure that no omissions have been made. The final date for confirming the list or nominating new firms is July 31<sup>st</sup>, 2026.
  4. If there are any modifications to this list requested by the National Authorities, a Final Bidders List will be issued as part of the RFQ package. Otherwise, the list attached to this letter should be regarded as Final Bidders List for the RFQ in subject.

5. The NCI Agency reserves the right to cancel, suspend, or withdraw this NOI at its own discretion and at any time. The NCI Agency is not liable for any expenses incurred by companies in conjunction with their responses to this NOI and such responses shall not be regarded as a commitment of any kind concerning future procurement of the items or services described herein.
6. Your assistance in this procurement is greatly appreciated.

- C. List of Prospective Bidders

## Annex A – Summary of Requirements

Project No. 2018/OIS03204, CP9C0120

### 1. Project Objective

#### Tier 2+3 SIEM 3 Uplift of the SIEM incl. build of DEV environment

Design, hardware supply and implementation activities to facilitate the expansion of the existing NCSC SIEM, which includes specific requirements to increase capacity.

Design, hardware supply and implementation of the Development environment and the Reference environment for this SIEM on Tier-2.

### 2. Scope of Work

There are three parts to be delivered under Tier 2+3 SIEM 3 Uplift of the SIEM incl. build of DEV environment:

| ID    | Solution   |
|-------|--|
| 1.3.1 | Design and implement the expansion of the existing NCSC SIEM, to include increased capacity.                                   |
| 1.3.2 | Implementation of the Development environment and the Reference environment for this SIEM on Tier-2.                           |
| 1.3.3 | Design and implementation to Tier-3 of passive metadata generation in Tier-3 sites and the flow into the existing Tier-2 SIEM. |

Detailed requirements for each ID will be provided later in the procurement process.

- This project will be managed using the Agile methodology and the overall Period of Performance shall not exceed EDC + 2 years
