The NCI Agency hereby notifies the NATO Nations of its continued intent to request quotations for the procurement of Tier 2 and Tier 3 Uplift of the SIEM.

*****Neo eProcurement Registration*****

Attention Suppliers,

The NCI Agency is stepping into a new era of procurement. We have launched an eProcurement tool, Neo, to make our collaborations smoother, faster, and more transparent. If you are keen to do business with us, you will need to register in [Neo](#). This tool will offer suppliers visibility into past, current and upcoming business opportunities, and streamlines the competition cycles, contract awards, and account management.

-
1. NCIA has given notice through Reference E of the intent to request quotations for the subject Project.
 2. The Purpose of this Amendment 2 is solely to postpone the procurement milestones anticipated dates for 3 (three) months respectively:

Procurement Milestone	Estimated date	Amended
NOI Closing Date	31 st July 2026	31 st October 2026
Solicitation Release Date	1 st September 2026	2 nd November 2026
Solicitation Closing Date	6 th October 2026	7 th December 2026
Contract Award Date	6 th January 2027	6 th March 2027

3. Attached herewith please find the Prospective Bidders list for the subject project which includes firms nominated by their Embassies/Delegations of origin, received as of the date of this letter. NATO Delegations are encouraged to review the list for accuracy and to ensure that no omissions have been made. The final date for confirming the list or nominating new firms is October 31st, 2026.
4. If there are any modifications to this list requested by the National Authorities, a Final Bidders List will be issued as part of the RFQ package. Otherwise, the list attached to this letter should be regarded as Final Bidders List for the RFQ in subject.

Annexes:

- A. Summary of Requirements
- B. Distribution List
- C. List of Prospective Bidders

Annex A – Summary of Requirements

Project No. 2018/OIS03204, CP9C0120

1. Project Objective

Tier 2+3 SIEM 3 Uplift of the SIEM incl. build of DEV environment

Design, hardware supply and implementation activities to facilitate the expansion of the existing NCSC SIEM, which includes specific requirements to increase capacity.

Design, hardware supply and implementation of the Development environment and the Reference environment for this SIEM on Tier-2.

2. Scope of Work

There are three parts to be delivered under Tier 2+3 SIEM 3 Uplift of the SIEM incl. build of DEV environment:

ID	Solution
1.3.1	Design and implement the expansion of the existing NCSC SIEM, to include increased capacity.
1.3.2	Implementation of the Development environment and the Reference environment for this SIEM on Tier-2.
1.3.3	Design and implementation to Tier-3 of passive metadata generation in Tier-3 sites and the flow into the existing Tier-2 SIEM.

Detailed requirements for each ID will be provided later in the procurement process.

- This project will be managed using the Agile methodology and the overall Period of Performance shall not exceed EDC + 2 years
